By the end of that term, students must have completed all preparation courses* with a minimum UC GPA in these courses of 2.00. Admission to the IDS major is on a competitive basis, using the preparation requirements as a minimum standard for consideration. Note that meeting minimum qualifications does not guarantee admission to the International Development Studies major.

*Completion of level 3 of the foreign language is acceptable when applying for the major. Level 6 (or 5 in Spanish) of the foreign language is required to complete all preparation requirements, but can be done once accepted to the major.
